

FLOOD ZONE MAP

STATEWIDE BUYOUT PROGRAM

INCENTIVE AWARD RELOCATION AREAS

The Statewide Buyout Program may offer eligible property owners an incentive award above fair market value (up to the program cap of \$250,000) **if they relocate to an area of lower flood risk.**

Incentive award recipients **must relocate to an area of minimal or moderate flood risk.**

- **Minimal flood risk areas** are located outside the 500-year (0.2% annual chance) floodplain and designated as X zones on flood maps.
- **Moderate flood risk areas** are located within the 500-year (0.2% annual chance) floodplain and designated as **shaded X zones**; these areas **require elevation of 3 feet above the ground.**

To find acceptable relocation areas, visit maps.lsuagcenter.com/floodmaps and search for locations outside of a flood zone, or within Flood Zone X, as labeled in the legend key on the top menu. Applicants also can contact their local building permit offices for flood zone information.
